

MASpace
Mallacoota Arts Space

Are you interested in leading a workshop in January?
If the answer is yes, you will be contributing to helping our visitors and friends have a memorable and enjoyable summer break. You don't have to be an expert, just happy to share your interest.

Please fill in the form below and leave it at MA space where you also need to register your interest on our workshop calendar. Some activities may require two or more sessions.

We will endeavour to widely publicise your workshop with our notice board, posters, web site, emails and radio announcements. If you have any questions, please call Yolande 0408 290 625, Lynn 0429 580 566 or Steph 0427 817 852
